“ *I want to send my prayer and love to each one of the family. I thought a whole lot of June Bug and Mary Jane. We all had some good times in our younger days. I pray for God to Bless and Comfort each one of you in this sorrowful time. I know that it will be hard on all of you, but I know the Lord will let his peace be with each one of you. Just know that God is in full control over everything. He loves all of you and he wants the best . God Bless love all of you*
