“ Alison is the bravest, strong will person I know. She was a fighter. She thought of me as a sister even though we are not blood related. I could go to her about any problem and she would help me. We had plans last month to get together and catch up on what we been doing. I will miss my best friend/sis. I gave her a LSU watch that wrapped around three times she put it around her neck and her eyes lit up. I am truly blessed to have her in my life RIP until we meet again. I dedicate One Hell Of an Amen to my sis you gave it your all. I will always remember you. John if you need anything call me 3184378081. MY deepest sympathies sorry I'm not able to be there the weather is bad. But I will be there in spirit love yall.
