“ I worked with Dwain at Michaels in St. Augustine. He was a great person. He told me about the traditional Southern foods to eat for "Good Fortune" on New Year's Day. I never heard of it before, (being from New York) he couldn't believe that I didn't know what "field peas" were.....never heard of them nor ate them. I loved listening to him educate me on anything Southern. On New Year's Day if I heard about Southern food for Good Luck I would smile.....and remember Dwain. So very glad he found happiness in his life.

*I also worked with Dwain in St Augustine Michaels. He was always very kind and friendly. He had me make him a winter scarf one year. He used to talk about making an icebox cake. People used to laugh, just because they didn't understand what that was. My God Bless you all.

He was a beautiful and wonderful person. I feel very lucky to have known him. Rest in peace Dwain.
