“ Kathy, I just learned of Lynn's passing & wanted to express my condolences to you & your family. Lynn was a true friend & although we went our separate ways in life I will always think of him as a very happy part of my younger days spent sharing them with him back in Arkansas. May God bless you & comfort you in the days to come.

“ Kathy, Brooke and Barry,  
God blessed us all with the life of Lynn Bowden.  
He always had an uncanny way of making you blush, smile or just  
laugh right out loud!  
So glad our families were brought together by, and for, the love of  
the game. Something we shared in the  
not-so-distant past and will continue to do so from now on.  
Thank you for sharing your husband and father with us.
