“ *Bennie was my neighbor for more years than i can count here...then he was my brother-in-law for nearly 10 years...i have many sweet memories of my friend and brother...he was never less than kind to me, no matter the circumstances...my favorite memories are of playing back yard ball games with both families combined, and of dancing with him at the "Showboat" in Natchez MS in the very early 80's...Bennie had a good heart, and i am very glad i knew him.*
