“ Delana, I just want you to know that I am so sorry and my heart aches so much. Burt was a wonderful kind man who will forever be in my thoughts often. I know that there are not any words that can help right now, but please know that there are many friends and family who are praying for you and your family. God will give you peace if you just look to him. Phillipians 4:13 is a great verse. If you need anything, please do not hesitate to call. Love you!

“ Dear Tradewell family, my thoughts and prayers are with you in this difficult time. I had the pleasure of working with Bert the last 7 years. He was a very good man. He always made me laugh. He also showed this city boy how to rope a calf on the rig. I am truly honored to have known him.
