“ *My sister Betty Jo was a good sister. She always took good care of her younger brother Joey and myself. During Christmas she worked in the basement of Belks Department store in Winnsboro and always purchased Joey and I Christmas gifts with her own money.I will miss her.....I always told her she was my very best sister. She would always reply that she was my only sister....and always giggle.....I will miss her.....Billy Lemmon. Winnsboro, SC*

“ Betty Jo and I were cousins, being only one year apart, we grew up together. In high school we were known as the "sour Lemmon girls." We will miss her telephone calls to catch up on the news from Winnsboro. She will always be a happy part of my life.
