“ My husband and I would like to express our sincere condolences to the family and dear friends of your beloved Bobbie. Psalm 34:18 brings us much comfort, for it reassures us that God cares for us, especially during difficult times like this. May you all draw comfort from the memories you made together-cherish them always close to your hearts.

I will always remeber walking by her house and her waving from her chair and then the next round by she would tell me slow down. She was such a hoot!!! I know that there was a HUGH HOMECOMING Party for her Monday Morning. God Bless all and remember we will see her again some day!! All my LOVE

“ I remember going to cousin Bobbie's house with my momma and daddy (Buddy and Opal) when I was a kid. I was Uncle Robert's "other name sake". She was always a wonderful and kind lady. My sympathies to the family but we all know she is in a much better place and there were some wonderful love ones waiting to welcome her home.

“ To be absent in the body is to be present with the Lord. Know that you were always there for your mother - good times and bad - and be at peace.
