“ *My heart felt condolences to Carl's family and friends. I last saw Carl in 1969 at Catahoula Truck and Tractor, my parents business in Jonesville. From 1961 to 1969, during the summers, Carl and I were side by side behind the counter selling parts to local farmers. I was just a young teenager, and Carl was truly a mentor regarding the parts business and interacting with customers. We kidded and laughed the summers away, but got the job done. We even had a few rabbit hunts together during the fall. My memories of Carl during this time will forever be how much he was a positive influence in my life. God bless him!*
