“ *My family and I are deeply saddened at the loss of Carol. I am Jo Hyde, granddaughter of Lovey and Maxine Ratcliff, so we go back a long long way. She was a good friend to my grandmother and grandfather and for that I am very thankful. May you find the peace that passeth all understanding during this time and may God wrap you in his everloving arms. I know she will be missed, but never forgotten by any of us.*

*Love,
D.Z.and Dorothy Boyd and Bob and Jo Hyde*
