“ I Remember Uncle CF when I was a youngster as a quite and kind man who usually had a smile on his face. I used to wonder when he was sitting back and smiling, if he knew something that everyone else didn't. I think he was just listening to all the family chatter and just observing EVERYTHING!!

When he did speak up it was usually short and to the point, and everyone listened.

So, I have very fond memories of Uncle CF. He will be Greatly missed by all who knew him! Praying for you Gary And all your family!
