“ You Meant So Much....

*You meant so much to all of us.
You were special and that's no lie.
You brightened up the darkest day,
And the cloudiest sky.*

*Your smile alone warmed hearts.
Your laugh was like music to hear.
I would give absolutely anything,
To have you here and standing near.*

*Not a day will pass,
When you won't be on our minds.
Your love we will never forget.
The hurt will ease in time.*

*Many tears will be cried
They will all be poured out like rain
I know that you're in Heaven now
And there we will meet again.*

“ To all the family, I am so very sorry for your loss. I too, have lost, Mack was my family, also. I was in this family for a very long time and I will always feel like a part of you all.

Mack, you will surely be missed. You have left me with a lot of memories that I will talk about for a long time. When I think of you, I'm heartbroken that you're gone, but, at the same time, I can't help but think of ALL the times (and believe me there are so many) that you made me laugh, those are the memories that I will hold close to my heart and remember you by. I will always Love and Miss you..

Until we meet again,
Nina
