“ I am the only person on the planet who called him Harold. We were neighbors across the fence when we were kids. He killed my baby goat. Mama made him a birthday cake for his 9th birthday decorated with fruit loops. We learned to tolerate each other as adults when he married Nina Goodwin who I have always loved like a little sister. He told me more than once that if he didn't make it to heaven, it wouldn't be my fault, cause I sure talked to him about it. We have not talked in years....i hope he made it to heaven. Sleep sweet Harold.
