“ I came to know and love Coot and Ann after marrying Manson. Manson loved them both so much. Then Bo married our Traci, and we had another bond. I'm sure Coot and Manson are reunited now in heaven and enjoying their friendship again. Prayers for you Ann and all the family. I love you all.

“ Susie:
Your dad was one of the strongest men I know. He could make shake in my boots all the while he was reaching out to hug me. I can see him in Jenny and Bo like he spit them out. He loved your mom like all women dream of.

Share my condolences with all. Life will never be the same, but the memories will help you find the new normal.

I will see you on the 19th.
