“ My prayers are with you as I know,he will be greatly missed here on earth but God received a great and loving guy. I bet he is sitting up in heaven watching every train that is,moving and telling all God's choir about each train wreck he sees. Every week for over 6 years,at least he would come to my office tell me of a train wreck he had heard,about. And we would look it up and I would print him out the news,article and picture. I will greatly miss him. Sincerely Kim Erskin

“ Aunt Martha and Family,
Our thoughts and prayers are with all of you. Darron was always so happy with a smile on his face. I remember as a child seeing how excited he would be when Uncle Morris would give him John Deere hats, and how much he loves trains. He held a special place in our family, and our hearts. I will not be able to be at the service, but will be there in my heart.

All our Love,
Kathy Arthur Watts and Family
