“ Uncle David I kno we have had our ups and downs but all the same always have and always will have love for u! I remember when u and crystal and me went to the levee and u gave me my first beer and mama had the police out looking for me 😭 it's funny now it wasn't then!! But I know we will see u again someday until then give mama and everyone lots of loves for me and jus plz look over my baby and let her kno it's ok and ur ok and to ease her pain a lil bit she loves u and misses u very much! I love uncle David and u truly will b missed!! FLY HIGH 🙏🙏🙏🙏

“ David was my ex-brother in law, he visited almost every week. The day before he went home to be with the Lord he came to see me. As he was leaving he stopped as he was walking out the door, turned, looked back and said “Hey sister I love you.” And I look back at him, like we knew and said “I love you too brother.” Fly high my brother until we meet again!
