“ *Judi, you and your family are in my thoughts and prayers! God will get you through it, but time is the only thing that really gets you past it, and remembering the good times, along with your faith in God. I wanted to scream "what about now", but one day at a time, it goes on by.*

“ *Share a memory of Dollie Sweat or send condolences to the family. I am saddened to hear of your loss of this sweet lady. I remember her from my childhood, seeing her at Oakhill Homecoming. I got to visit with her the last few years at Homecoming and I looked forward to seeing her. She was a cousin to my mother. Heaven has received a beautiful Angel!*

“Dollie an I worked together at Dr. Smith's in the 80s and 90s. She was a dear friend to me and I learned so much from her. I still used the Scofield Study Bible she gave me Christmas of 1990. Her grandson Jeremy was in my daughter's wedding in 1987. What a pretty lady and such fun to be with. I still quote her today with things like, "Don't start anything you don't want to keep up."

With Sympathy and love to her family.
