“ *Mr. Davis was one of my favorite teachers at Monterey High School. I have thought of him often, he dearly loved his daughter Tracy, he bragged on her constantly and his beloved cat "Maggie". Mrs. Davis taught two of my children at Ridgecrest and she was loved by both. My heart goes out to all of your family. You all will be in my prayers.*

“ My sincere condolences go out to your family at this time. God bless you and keep you during this time. You have lost a truly great person, a fantastic educator and a personal friend to many people, especially those students who learned about the history of our great civilization. Mr. Davis brought history to life for me and made me appreciate what those who went before us endured to make our nation great. As a student during the late 50's, I took every history course he taught and I enjoyed every minute. He will be missed.
