“ I am in awe of the constant love and attention these daughters and grandchildren gave their Dad especially during his time at Heritage Manor. Each time i saw him one or more daughters and or grands were with him. They are such a inspiration of devotion. Thank each of you for the kindness toward my mom Gail as she entertained and keep y'all company. I know your Dad is free of pain and rejoicing in Heaven with the Great Physician. God Bless each of you. Amy Vestal DeWitt.
