“ Eddie & Peggy I was so saddened to hear about the passing of Eunice...She was soooo much fun to be around...She was so full of life and filled with laughter...I have to say this bc he isn't here to say it himself but my daddy LOVED her..one of my fondest memories was when she worked in Vidalia and she would stop by mama & daddy's on her lunch break or after work...she, mama & daddy would sit at that dining room table drinking coffee and talk about way back when...Eunice was precious beyond words and I know she will be missed...Prayers for the family to find peace & comfort in the days ahead 🙏😊🙏
