“ Dear Wayne, Kent, Lynda and Beverly, Due to the hurricane and the traffic gridlock, loss of electrical power, I could not be there with you. This makes me very sad because I loved Eva dearly and wanted to say Good Bye properly. At the time the service started, I had silence and read bible scriptures as Eva would have done and then looked at photos of vacations and visits we had with her. She was also my Mom and she treated me accordingly. Thank y'all for sharing her with me. I will miss her greatly I have been reminiscing the happy times we had with her and her giggle with the babies and how much she loved each and every one of us. She welcomed each new baby into the family with joy that was evident as she held the child and talked to them and laughed and played on the floor with them. You are all in my prayers and I know when she got to heaven Claude said "what took you so long". I know it was a joyful reunion and she is happy and can talk and laugh with everyone. Love, Rosalind

She will be sadly missed by so many here & so happily welcomed by so many in Heaven. God bless your family & comfort your hearts during this very sad time.
