Tribute Wall

“ We got to see Uncle Gilbert in July when we came home in July. I got a picture of him and the boys. I'm grateful that I got to see him when I did, you never know when the last time might be. We had decided last minute to even make the trip in. Now I'm glad we did. Him and Aunt Ree were always a big part of my life growing up. I will miss him terribly. He's just one of those things you always think will be there. I wish I could be there.
