“ Grover, Dorothy and Families,
I am only now finding out that Glen has passed away. I am so sorry for your loss. Glen was a great guy, and fun to work with. Not sure if the family remembers me, I went to school at Central with Glen and Dorothy, spent many a night with Dorothy and skated many a mile at the skating rink. Memories I will carry with me always. News travels slow to California. With heartfelt sympathy, Linda

“ We were so sorry to hear about the passing of another of the Wiley boys. Our fond memories of Central High School always include them. Miss Millie and Mr. Dan did a fine job of raising respectable, gracious men. Our thoughts and prayers are with you today.

“Arlene--you are our friend, and we hurt with you in your time of loss. Our prayers are that you will be strengthened and comforted by God as you mourn your loss of Glen. My words cannot take your hurt away, but God can help you to bear it. When I lose anyone dear to me, I ask myself the question, "what would they tell me to do?" And I believe that Glen would tell you to be strong, and grieve for him but to try and get on with your life, because you have some family and friends who need you!!!
