“ *Loved your parents very much, we were great friends. I look back to one very important time--the day you were born--I became the brother of your mother--the only way they would let me in Intensive Care. Had some of the best times ever with your mom & dad and everyone in the apartments in DesPlaines. When I get to heaven and reunite with them I am going to ask them about the hot tub. God Bless all the Family, Love, Jerry & Judy*
