“ *My thoughts and prayers are with Holly's family right now. Every time I saw Holly, she Always had a smile larger than life & a Heart to match. She would go out of her way to speak to people & help if that was the case. Natchez is a little darker these days since her beautiful light was taken from us, but All our lives have become enriched just from knowing her. We've temporarily lost a dear friend, but heaven has gained a Wonderful angel. We will Always Love you Holly & will Miss you terribly..! May God Bless the family..!*

“Holly's family, I wish to express my heartfelt condolences to all of you. I only had the pleasure of meeting and fellowshiping with Holly this last March during the first week of Pilgrimage. Her first cousin, Camille Dawn, planned a trip for several of us (high school friends) to Natchez. Mildred, Holly, and Jason were so warm and friendly and made our trip memorable. Holly was always so eager to be sure we were having a wonderful time (which we did). She shared that she was about to go on a short trip with a friend to New Orleans and couldn't wait for that, just "to get away." You could tell Holly loved life and all her family. But everywhere we went with her it was evident that everyone in Natchez also loved her. I'm sorry for your loss but so glad I had the opportunity to meet your Holly.
