“ I was a year behind Jack in Law School. In 1977 we went squirrel hunting at his camp. I cooked some squirrel sauce piquant with heads. Had a great laugh about that. He was a good fellow. Sorry to hear of his passing. Alex "Sonny" Chapman. Ville Platte,La

“ I still remember playing huck Finn with jack in the lake by his old house. We flipped a car lid and it floated like a boat. One nice guy.

“ It just all went to fast Jack. We went from being grandkids playing together in Cottonport to being the old folks and never saw it coming. You put more into, and helped more people in your life than most people could ever imagine. You are a grand example of "success in life" Jack, with family, friends and business. We will always miss you, and always cherish the time that we did share. God bless you Jack. and Nancy, and Jack, and Scott and all the Mclmores. Your legacy makes us all proud. God bless.

“ Nancy -- It's been many years since I've seen Jack. I grew up shadowing and watching Clarence and Jack.. hearing their escapades.. great stories that still come up when our family is gathered together and reminiscing. Please know you and your family are in my prayers now and in the days ahead. Praying you experience that deep peace in the midst of a storm that comes from the Lord. Barbara Lea Campbell

“ We have lots of great memories from Baton Rouge Law School days -- lots of fun, parties, and dancing the night away..... later enjoyed my visits to his home in Vidalia and experienced his joy in family life, children, grandchildren, practicing law and sharing his wonderful "down to Earth" common sense. He will be tremendously missed.
