“ When I think of Uncle Bill my memories go back to my childhood. I think of family, holidays spent together and summer fun in Texas. Although home for them was always Louisiana, I am grateful for the memories and the bond that was created during that time. I also think of work. Uncle Bill was gone a lot as he worked overseas working hard to make a good life for his family. I always thought that was so cool and he always brought home coins, jewelry and goods from Singapore. I also find comfort in knowing that he loved the Lord and we will all be together again. You will be missed. Rest in peace. Love you always Uncle Bill.
