“ To the Boothe family,
I send my condolences and heartfelt sorrow in learning of James being laid to rest. I remember James well, and as my former classmate and friend at Sicily Island High, I will always recall his laughter and humor, on the football field and off the campus. I pray for your family during these moments, and know that James will rest in peace in the arms of the Lord.

“ I was so sad to hear about the passing of James. I was thinking back about the days in school. He was such a good person, cute and a good sense of humor. It is so sad that he passed at such a young age. May he rest in peace and may God be with his family during this time of sorrow.
