“ *I am so sorry to hear about the passing of your father. I did not know him very well. I actually know him through my husband, Johnny Brown. Every time I saw Hoss at the post office, we would have a nice little conversation. He would always asked how my husband was doing. He called him Candy. The last time I saw him, he showed me his arm that was very bruised from his dialysis treatments. However, he did not complain but still found the time to ask about my husband.*

You have my deepest sympathy. Your dad touched so many lives in some many positive ways. God bless.
