“ Carolyn,
I am deeply saddened to hear of my old friends passing! I remember Shorty coming over to our house when he was in high school and practising basketball. He was a good guy and was very funny much of the time. I have nothing but fond memories of him to cherish. I will be praying God send His Comforter to you and the rest of your family!

“ Carolyn Jean, I am so sorry for your loss. When I came back to South Carolina, after Randy's funeral someone sent a card to me saying that death was just another door closing that you would always be just on the other side waiting. I guess thats true. My heart breaks for you, I love you and I will keep you in my thoughts and prayers as always.

Any and everyone who knew Shorty knows that he was a good, kind person who was strong in his faith. He's now reaping his rewards. Also, know that you are not alone in your time of sorrow. Your friends and family are here for you.
