“ *Mr Jim called on Justiss Oil Co many years selling bits. Always good to see him around in the office and the guys all thought a lot of Mr Jim. Skeet and I have run into him several times at McDonalds in Vidalia. So sorry for your loss. Always had a story to tell.*

“ *The first time I saw Jim I was 17 working for D&D. He brought bits to the rig and I talked to him while he jetted them. That was 44 years ago and he has been my friend since that day. I talked to him the day before his birthday so that was our goodbye. We shared the love of my Great Dane Demetrius and they spent a lot of time together going to the rigs. For many years you didn't see Jim without him. He was my friend and I'm gonna miss him.*
