“ Jay and I first met when we were college room mates at NLU. We quickly became friends and lost contact after school. Some 30 years later we got in contact with each other again. To Marie, Julia and Jay's Parents I would like to say that Jay taught me a lot about life. He had more courage and strength than anyone I have ever met. He loved the Lord and would tell everybody about him. Jay you will be sadly missed and I will never forget you. I know that you are in Heaven and free of pain finally. Rest in Peace my friend. I hope to see you again on day.
