“ So sorry for your lost! Joey and I met in Navy boot camp. We ended up serving on the USS EISENHOWER together in the same dept/division. We both were admins and hung out alot. He was a star athlete on our ship participating in football and softball. I will always remember his sense of humor. I always laughed when I was around Joey. He was a goofball but he was well liked He was a great friend. Regaurdless of our differences he was honest and loyal. You will be missed Joey!

“ Just wanted to write a little note to let all of Joey's family know what a treasure it was to know him. I can think back of some of the stunts he pulled in High School and just have to laugh. I do not think there was a time that he did not have a smile on his face. Just want all of you to know what a pleasure it was to know him and have shared my childhood and school days with him, the BHS Class of 1988 has lots of wonderful memories that he provided for us.

“ Mrs. Mary and Mr. Joe Tom, I just wanted to let your family know that you are all in my thoughts and prayers. When we were growing up, Joey was always so full of life and so much fun to be around. Although it has been many years since I had seen Joey, I have so many wonderful memories of times that were spent with him and all of our friends. I pray that God will comfort you all through this very difficult time. I remember Joey loved playing football and being a "Block Bear". I thought a memorial to the football program was very fitting.
