“ John,  
*I can't believe it's been a year since you went to be the Lord! Lori and I miss you so very much, we feel this great void in our lives. We talk about how we wish we could meet you and Tootie somewhere for another great adventure! We know you're with your Mom & Dad and you three are in "Heaven" where there is no pain, suffering, sorrow or death. We will try to live out our remaining time here as God intended and be kind to one another and others. While our hearts are broken we are comforted in knowing we will all meet in the glory of God and heaven one day. You are greatly missed here on earth!*  
*All of our love John*
