“ I was so sorry to hear about John's passing. Guess I've known him about as long as I've known anyone in Natchez...Miss Vineyard's 4th grade class. All the way through Helen Hartfield's 9th grade class. Then off to Natchez High. We kind of grew up through school together. He was a great guy. I've been so long gone from Natchez, the people I graduated with all went our own way. Wish I could have kept touch better.
