“ Dear family of John,
I am sorry for the loss of your loved one , John, he was so young with his whole life ahead.
We may wonder why? or if there is anything to look forward to? Jesus well knew the Bible statement:" Time and unforeseen occurrence befall them all"[Ecclesiastes 9:11]. He knew that sometimes bad things just happen.
The wonderful future resurrection hope is the promise found at John 5:28,29.
Revelation 21:3,4 states that death will be no more. and pain will be no more, the former things will have passed away.
Our Creator, by means of his son Jesus, is going to bring about these wonderful changes.
I hope as you read these texts in your Bible they will be of comfort to you.

“ We just heard of the heartbreaking news about John. I am so sorry for your lost. I remember the very first night we stayed at our camp he walked over and visited for a few hours what a wonderful young man we really enjoyed his company and his stories. There's a little saying that goes, some people come in your life as lessons and some come as blessings John was truly a blessing!! Our prayers are with you in this time of sorrow. I will never forget that sweet young man that sat on our camp porch that night his name was John. I'm sooooo sad

“ John , I always loved your friendly personality you had...I know we loved to hunt , fish ,and play ball together, but the main thing you done was making sure we had something to talk about , something we could smile about .. You always loved making memories... I remember the first time we went hog huntin over at bayou cocodrie.. Me and my brother where almost to the end of the brake when suddenly we could hear those hogs and your shot gun you loved going off .. Next thing we know is you walking out in that brake with two big ole hogs.... You never gave up my friend, in basketball you had my back and you always kept on going... Those are my recent memories of you , but thinking back we was under that old oak tree playing with hot wheels car's... Or walking around shooting pellet guns.....you been a big impact on my life. You always called me up to see how I was or to just talk. You would see me thinking of something or maybe being a little sad , you would always say come on now get happy! You where truly a great friend. I love you buddy!

“ My little cousin, I don't cry ever anymore, but I hope you wouldn't make fun of me for crying so hard right now. I've been away for a few years, and was so happy to see you at the wedding. You were always such a good kid. Me, you, Kolby, Cole, and Seth always playing something when we were younger, and these past two days I have constantly thought about those times. I wish I was there just to say goodbye, but I'm halfway around the world, but I will get on my knees and pray tonight, and I only know that you will hear me when I say that I love you, and I will miss you so much. This just doesn't seem real buddy. I can't wait to wrestle around with you again one day. I love you little cousin.

“ John I miss you buddy. I only wish I could have had one of our talks or see you one last time. but I know I cant and it hurts. I wish I would've made more time to go down and see you. For that I truly regret. I remember how you told me when Katelyn and I started dating that I better take good care of her or youd hunt me down. We became a trio at school. You, Me, and of course Jordan. Good Times. I want you too know I love you Johnnie Boy!! and I will always take care of your Katelyn, and keep your memory alive!! Im truly blessed to have known you!!

“ John we will miss you so very much, I saw you everytime I went to the lake and it was always the same you smiling and waving when I would be out cutting the grass. Heaven will be a much brighter place because of you. You always showed us respect and wasn't afraid of hugging and saying love you. You are so special to soooooo many people. Seems like just yesterday when you was always sitting in front of me at church and just as cute and sweet as you could be. I hope you and Nanny are having a wonderful reunion. R.I.P my little friend..
