“ I do not know anyone in this family but I felt a great need to send my condolences and let you all know that I will be praying for you. I know that it is a touchy situation - and the situation I went through six years ago isn't exactly the same. But I lost my father when he took his own life, and it is horrible to deal with. I feel for all relatives left behind. I urge you to find someone to talk to you - find a survivor support group. There is a wonderful one in Baton Rouge at the Baton Rouge Crisis Center. Please don't let the stigma surrounding this deter you from getting help for yourself. Losing someone in a manner such as this is unique and your grief will be unique. Please take care of yourselves and please know that there are people who understand and are praying for you.

“ Denise,

*I just wanted to tell you how heartbroken I am for you and for Wesley's kids. You have lost so much in the past few years. I will always remember all those years growing up running up and down the streets of Waterproof. Us kids playing at the "New Ground" while our moms brought the dads lunches. I hate it that I cant be there but please know that ya'll are in my thoughts and prayers. If there is anything I can do to help you out please give me a call. Even if it's only to listen I have a good ear and listen well. Daddy has my phone # so please get it from him or Joey.*

*With much Love and Prayers for you and yours,

“ Dear Family,

*I want you to know how sorry I am for your loss. Wesley was a good friend growing up and we had a lot of good times working on the farm and running around together. There were a lot of us who were able to become close friends, not only with Wesley, but the whole Mize family. You are all extremely good people and I am proud to have been able to call you all friends. I hope that everyone can remember the good times and set this tragic event behide them. My prayers go out to each and every one of you. God Bless!*

“My memories of Wesley were the "good old school days" when our lives were all fun. I am thankful to have those good memories and to have had Wesley as a great friend. My regret is not keeping up with him over the years. I would have loved to have seen him again. He was a great guy and he will always have a place in my heart.

*I am very sorry to hear of such a tragic loss of your loved one. Keep the good memories close to your heart and lean on God and He will get you through these difficult times. May God Bless You and ease your pain.*

*Love to you all

“ To the Mize Family,  
I am so sorry for your loss. I remember Wesley from back in our school days. He was such a sweet and caring person to me. I can remember being in Vacation Bible School together when we were kids. I have not seen Wesley in years but I can still remember him like it was yesterday. Once again I am so very sorry and you all will be in my prayers and thoughts. May God bless you and hold each of you close to his side allways.

Sincerely,
