“ Well I never thought I'd be looking at your obituary. I knew you didn't want to go back up there. I knew how much you were ready to stop working and finally have some peace with the love of your life .. Ms Becky !! I'm so sorry for the sadness that was put on you both. But you are in the arms of Jesus now and how awesome that must be. All the sadness is gone and you are rejoicing with our Savior. You will be missed more than you know and one day you will be together again. I'm praying for peace and comfort for your kids, grands, and Becky. R.I.P John, til I see you.

“ I met John and Becky in Cranford, NJ at the Hilton Homewood Suites. I stayed there several months due to a fire in my Condo complex. John was a great person and hard worker. He was lots of fun and kind to all. John and Becky were my smoking buddies, we had a lot of laughs together and became good friends. I will never forget him, may he rest in peace.

My deepest sympathy to Becky and his family who loved him very dearly.
