“ Myrtle, Lance & Amber, please know that each of you are in our thoughts and prayers, not only for the next few days, but in many days and months to come. May God wrap each of you in his loving arms, wipe your tears with his gentle fingers, and comfort you with a peace that passes all understanding. When God takes something from our lives, he fills it with something else, and that something will be all the precious memories that you have of all the good times with Jory. We are here if you need anything. Love you all - Tonda, Mike, Shane & Tyler Spence
