“ *Joni,*

*Just wanted to let you know that you and your family are in my
prayers. I can't imagine what you are going through, but I do know
that God is faithful---even when it doesn't seem that way at the time.
I'm glad that we were able to kind of get back in touch through
Robin after all of these years. We had lots of good times at college
and in Jonesville on weekends. I remember your Grandmother's
peanut butter cake! I love you and will be praying for you!*
