“ Ms.Joanne, Julie & Bubba, I just heard about Joe, Mama called me. I am so sorry. I'm thing back to the mid 70's when I felt like I was apart of your loving family. I'm think I just about lived at your house. At that time Joe felt like a brother and he treated me like a sister, that wasn't always a good thing, but we loved each other. And I can't forget about Bubba, he was the crazy brother, I have pictures to prove it. Again I am so sorry, and will be praying for y'all You know, I can't think about Joe without thinking of Cindy, I loved both and will never forget them. Try to stay strong and hope to see y'all soon. I love y'all Andrea

“ My heart aches for your entire family. I have known many of you for over 20 years now. Because of my business, JoAnn and I have had the opportunity to visit with one another quite frequently. I lost my son just a few years before Cindy died. JoAnn and I have shared with one another our pain and disbelief as to why this happens to someone we love, especially our child. And now, your family suffers another loss. I wish I could understand and offer you words to help ease your pain. But you know that this pain never goes away. We learn to endure even though our quality of life is much less than it was before. I look forward to Heaven to see my son again. I know that you do the same. Our Christian beliefs are what help us to keep going forward. God bless you all.

“ I just heard of Joe's passing this morning and I am so sad. I haven't seen Joe in many years but I remember he was one of the nicest people I knew in school. Life can be difficult for all, but seemingly unbearable for some. I pray for the family with deep sorrow for I know this is a day of great loss. It was more than I could take when my sister Sonya passed but when I called out in my grief, The Lord heard my cry and answered me! He will do the same for you. He is the only One that can and will give you peace. He is with you always. Please call me if I can help you in anyway. 225-718-8108 I will pray for you all. May God comfort your whole family

“ When I heard of Joe's passing, I couldn't help but remember the good times we had as kid's back in Vidalia. May peace somehow be with his family as I know from first hand experience a loss of this nature is not easy. You will all be in my prayers.
