“ She brought much encouragement into my life as I saw her help others who were sick. She loved people who didn't have anyone to care for them. She was a giver! She brought me a beautiful flower the last day I saw her & we prayed together about her surgery. She was nervous but confident she was in Gods hands. She knew who her savior was & she was ready to go if He called her home. I loved Mrs Judy & I will see her again with her beautiful smile praising Jesus for eternity! Praying for each of you as I know your loss is great. May God comfort your hearts with His love that covers a multitude of sins & gives peace that is otherwise unattainable. Would love to share some conversations with any of you in person if your interested. Much love! Charla Knapp

“ *I got to visit with Judy back in March and am so thankful to God for that visit we had. Judy was always a part of my life and I cherish the memories made at Clayton School and at church in Clayton and later at the Ferriday Church of Christ. I am praying for all of you. I know you will miss her so much. We private messaged a lot on Facebook and I will miss those messages. May God bless all of you with comfort and peace that can only come from Him. There aren't many people as loving and kind as Judy.*
