“ One of the sweetest persons I have known. Although an indirect family member I was whole heartedly welcomed into her home for family holidays or just to visit. I still have a gift from Christmas about 17 years ago! I can't imagine a soul that her warmth has not touched. Although her physical presence will be missed...her spirit will never leave. I am blessed to have been a tiny part of her life.

“ *Serena and Tammy, Paul and I will be praying for your family. We are so sorry for your loss but you have a family that loved her and will be there for you. Take the memories others share with you and take your grand babies in your arms and share all her stories and memories of her with them.*
