“ *Prayers for your family! I got 3 kids that are going to miss you and so am I. Thank you for being the gentle soul you were with my babies. You made sure you took care of them from the time I released them to you until you returned them to me. Thank you. You were so much more than a bus driver to us especially Knot-Head aka P-Nut aka Seth Parker. Until we meet again*

Just learned of his passing today. I sold him fly rods and only knew him from phone and email conversations. He sounded like a very good dude. R.I.P. Kernie
