“ Mr. and Mrs. Reed, I sincerely wish to extend to you my sympathy for the loss of Kevin. We graduated together and he was such a sweet person with a brilliant mind. I had not seen him since our graduation in 1981 but kept up with him through mutual friends. I pray God brings you through this time of sorrow and pain and also brings back the wonderful memories you have of Kevin from his early childhood until now. Hold close to those memories as I will also. May God Bless you and your family.

“ Kevin was truly a one-of-a kind man. They don't make characters like him anymore. He was kind, , a jokester, loved his family and friends and never met a stranger. To his family I wish peace and comfort and only good memories to call upon. To those who called him friend let's not forget to take care of his family in this time of need

“ Uncle Buster, Aunt Dorothy, Jimmy and Ricky,
I can't imsgine what you are going through. I could'nt believe it when Jimmy called me. Even though we don't see you you are often on my mind and always in my heart. I hope to get your way sometime late this summer. I am so sorry that I cant be there for Kevin. I still remember the great fishing day he and I had the first summer I spent with ya'll and we caught eight or nine fish that wereso small they would barly swallow the hook. We were so proud of them. Know you are always in my heart and please don't hesitate to call me for anything at all. I will give you a little time and call you.
I love you,
Anthony Reed

“ My deepest sympathy for you and your family. I went to Lafargue High School with Kevin and he was good friend and an all around nice guy. It was a pleasure to have known him for such a short period of his life but my life is much richer having known him. We are having our 30 year class reunion in October and we will remember him in a special way. May God bless your family with strength. May the perpetual light shine upon him and may he rest in peace.
