“ *I proudly served with Larry in the Army . We were in a Pershing II missile Battery in Germany 1972-74. Larry was in the Engineer group. We worked together and were good friends. I looked for Lzrry for years on the internet and wasn't able to find him until tonight. I've lived in Texas for 40 years and am deeply saddened to find him this way. He was always a cut above. A guy that always got it done. R.I.P. Larry Wayne Lacroix*
