“ I'm so sorry to the family for their loss. Gady, Matt, Donna and Mark, I know exactly what you are going through. I know that no words can ease the pain, but always remember that she's in a much better place, and she's not sick or hurting anymore! She's in Heaven along with my mother and Dad. If you need anything, don't hesitate to contact me at (318) 403-4240. I have been long time friends with you and always thought of Mrs. Linda as my second mom! 🥹

“ We are having Mama's Tribute on March 9th at River Assembly Church On the Vidalia Highway from 12-3ish. Everyone is welcome to come. She loved everyone. We would like to have food for everyone but we have limited funds so anyone willing to bring a dish or drinks, anything, just give me a call so we can kinda coordinate, 318-650-1429. I'm going to work on flower arrangements but if anyone is willing to help, all help is appreciated, just give me a call so we can get together on it. Mom loved bright, colorful flowers so I want to have it the way she'd want it. Thank you all, Love you all!

“ *She was one of the most beautiful souls I have ever met. She always seemed to be in a joyful and happy mood. I remember all the long talks we had and all the laughs we shared. Her faith in God was something I always admired. She talked to God daily, several times a day. I have thought about her a lot through the years, she was such a sweet lady, and I feel privileged that I got to know her for a while. When you would leave her house, she would always grab your hand and hold it for a minute and tell you she loved you and God does too. My prayers are with her kids and all the family. Sleep in peace Ms. Linda* ❤️🙏

“ She was another one of those women you could call mom because that's how you feel when you were with her. I spent many a days sitting with her in her room at the house in Ridgecrest smoking and just talking. She will forever be missed and loved

“ She was another grandmaw to me. She put up with me and never judged me no matter what. She never treated me any different from her real grandkids sometimes I got treated better like when she let me grab snacks and cokes out of her room lol I will miss her for sure and I know a lot of other people will also.

“ Linda was unlike anyone I have ever met in my lifetime, she was a very beautiful and special woman and human being inside and out. God broke the mold when he created Linda, she was a true Living Angel God put on this earth to share her pure Loving, Caring, Gentle, Sweet and Passionate Beauty. She will be so deeply and dearly missed by everyone who had the special privilege of knowing her. ❤️❤️❤️❤️❤️

❤️ My Memories of Linda ❤️

My memories of Linda goes way back to when I was a little girl. I remember my brother Stanley bring Linda to the house, and when she walked through the door and I saw her I thought she was the most beautiful woman in the world, her beauty was so mesmerizing and captivating, she was more beautiful than anyone I had ever seen, more beautiful than Elizabeth Taylor and all the other beautiful actresses on TV, and it was as if the light in the room got brighter each time she walked into a room. I can remember as a little girl on into my early teens wanting to grow up to be just like Linda. I always loved being around Linda because she was always so sweet, gentle, caring and loving. It has been many many years sense I have seen, been around or talked to Linda, but i have never forgotten her, I have always thought about her a lot through the years, she has always been a very beautiful and special lady and ment the world to me, I have always loved her and she has had a special place in my Heart and she always will. I LOVE YOU Linda ❤️
