“ I first met Marie at Braden in Natchez where we were in the 5th grade. We later graduated together in Vidalia in the class of 1960. I have never known Marie to be anything but kind to those of us who had the pleasure of knowing her. Rest in peace Marie.

“My Aunt Marie was an inspiration to many, especially me. This lady was a basketball player, cheerleader, entrepreneur and beloved friend, to name a few, but most of all a person who showed love for God and her family. Everything she did seemed to be successful as she was willing to step in and lead. The energy and love I felt, when I was around her, has been a rare thing for me to find with others.

Aunt Marie will be missed dearly by me. Her legacy lives on through her family, especially Chad and her grandchildren. One only needs to look at their success, love of God and respect others have for them to see the great person Marie Marks was. One can tell she was an awesome mother and grandmother. From my specific perspective she was a matchless Aunt.

My deepest sympathies are with Uncle Freddy and cousin Chad. My prayers are for comfort to them, and to all those who are effected by the loss of this great lady.

“My precious Marie Marks.....what a blessing you were to our family. I know my cousin Freddy loved you but your Sullins' cousins loved you more than you could ever know. Your Aunt Mill and Uncle Cliff worshiped you as their own. Thank you for always having the "clan" over to your house. You were always smiling and always fun. Love you and miss you more than words.
