“ *I went to Vidalia High School with Marty and graduated with him. He
was also kind and respected everyone's feelings. He was the kind
of guy you wanted on your team whatever was going on. Years
have passed since seeing Marty again but his smile was and is his
trade mark. You will be missed my friend!!*

“ *Met Marty when we were in second grade...he was new in school and mistakenly came in girl's restroom! Through all the rest of our years in school together, I never forgot that first red-faced encounter, though he probably did! Marty was never less than kind to me....and in my school experience that was to be cherished. God grant strength and peace to his family....he was a sweet, gentle soul.*

“ we shared the same birthday (July 15) but not the same year, He gave the best bear hug and smiles whenever we would run into each other. the sweetest man with a big heart...prayers, sympathy to all of the family and friends He will be sorely missed, Prayers will be lifted up daily in the coming months as the family will grieve. At least he is not in any pain. He is celebrating in heaven and singing for Jesus .. at HIS feet,

“ Debra, we were so sorry to hear of Marty's passing. Marty was a great man and had a huge heart for people. I have fond memories of the school years we all had together... basketball games together in junior high (we had a blast), also watching him develop into a great football player in high school & then college. He definitely leaves a big void in everyone's heart but we cherish all the great memories. You & your family will be in mine & Margaret's thoughts & prayers!
