“ To my sweet and dear friend, Mary Sue. You and I have shared so many beautiful years together and oh how I will miss you. I will miss hearing all the updates you would so proudly tell about your family...especially about your grandchildren.

You have been a wonderful friend to me and I thank you. We have shared laughter and tears throughout the years. We would reminisce and laugh about the day we had lunch under the oak trees in the Natchez City Cemetery when the iced tea leaked in your lunchbox and the hamburger buns got soaked with tea. Gosh your expression was priceless! We laughed so hard that day! You were always such a good sport. The carriage ride through the streets of Natchez was quite memorable as well! LOL! You made life FUN! I feel blessed to have known you and I am so grateful for the friendship we shared.
I love you Mary Sue!
